## **READ**

Did you know that adoption is really special? God talks about adoption in the Bible. In fact, some very important people in the Bible were adopted. Esther was adopted by her cousin, Mordecai (Esther 2:7). Moses was adopted by the princess of Egypt (Exodus 2:10). Jesus was adopted by Mary's husband, Joseph (John 1:45). The Bible even says that when we believe in God, He adopts us as His very own kids (John 1:12, Galatians 4:5-6)!

## **THINK**

1. What does it mean to be adopted?
2. If you were adopted, were you adopted as a baby or a big kid? Were you born close to home or far away? Is your family big or small?  
Your answers are a special part of your story!
3. Look at all the babies in your book. Every baby looks different. Who made all these special babies? Do you think God did a good job?
